

# Limited Spaces!

# Blue Ridge High School Yearbook Grad Ads

**Buy a place in the yearbook to send a lasting message to a senior.**

\$45 per space, you can choose 1 to 4 spaces. (all in full color)

You provide the photos and the message, and photography students create a unique ad for you.

The number of photos and words allowed depend on the space purchased.

Photography students will work with you to get the ad you want.

Below is an example of a yearbook grad ad page from the past which shows the spaces.

Please send photos and message on email to Digital Photography Teacher, Susan Moffitt at [smoffitt@brusd.k12.az.us](mailto:smoffitt@brusd.k12.az.us). If you have good ole fashion print photos, you can bring or send them in and we will scan for you and return the photos.
